### CUSTOMER TESTIMONIAL:

#### *“Make Him Your First Choice”*

“I had a commercial building that I had owned for 21 years and had a wonderful tenant the entire time, until he retired when his lease expired. The property was in Florida and I lived in North Carolina, so I had no idea which real estate company to hire who could get the job done in the least amount of time. The broker I ended up by hiring had 3 offers during the 8 month listing; all of which fell through. I then called Howard Corr and listed my property with his company. Within 3 weeks, he called me with a cash offer to purchase and a closing within 10 days with no inspection contingency. WOW! In retrospect, I should have hired Howard from the start and so should you.” Cookie Stevens
